

CHILD SAFEGUARDING STATEMENT

An Seomra Spraoi Play Therapy | Midleton, Co. Cork

At An Seomra Spraoi Play Therapy, every child's safety, wellbeing and right to be heard are central to my practice.

I am committed to providing a safe, nurturing and inclusive therapeutic environment where children are treated with dignity and respect, their individuality is valued, and their emotional and developmental needs are supported.

Safeguarding is an integral part of my professional responsibility. My practice is guided by the Children First Act 2015, Children First: National Guidance for the Protection and Welfare of Children (2017), and the Child Care Act 1991, as amended.

I have completed Children First training, hold Garda vetting and maintain professional standards through ongoing clinical supervision, membership of Cothú - Play and Child Therapists Ireland (PCTI) and continuing professional development.

An Seomra Spraoi operates independently within Scoil Bhríde, Midleton. My safeguarding responsibilities extend to every child attending the practice, regardless of which school they attend.

Anne Cunningham
